There are different types of bullying:

- VERBAL BULLYING
- PHYSICAL BULLYING
- RACIST BULLYING
- SOCIAL BULLYING
- CYBER-BULLYING

## ❖ 2 PHYSICAL BULLYING

Physical bullying is the most obvious form of bullying. It occurs when kids use physical actions to gain power and control over their targets. Physical bullies tend to be bigger, stronger, and more aggressive than their peers. Examples of physical bullying include kicking, hitting, punching, slapping, shoving, and other physical attacks.

### ❖ 3 SOCIAL BULLYING

This sort of bullying is often harder to recognise and is often carried out behind the back of the person who is being bullied.

It isn't easy for someone going through this to accept when the line crossed from being a prank or banter to persistent bullying. By the time you realise it is bullying, it may feel harder to seek support
